ABOUT THIS PROGRAMME

This Work-Applied Learning (WAL) 1 for Change programme has been developed by Global Centre for Work-Applied Learning (GCWAL). It is designed for CEOs and Divisional Directors who wish to implement an organisational change programme with their managers using our WAL approach. This programme will enable the workplace to BECOME the learning environment. Participants don't have to stop work to participate in change programmes away from the organisation.

This programme is delivered online with in-built facilitation and guidance and participants remain AT WORK and apply the learning to a REAL WORK-APPLIED CHANGE PROJECT. This enables the learning to be directly INTEGRATED into the participant's work situation.
